1. Ted, tell My people I want to reveal Myself to them just like I am revealing My inner secrets to you—that are not inner secrets to be held, but outer secrets to be obtained—received, and reveled in. Tell them to come to Me and open to Me and lay their petty fears aside of being wrong or saying something imperfect. Let Me speak. Let Me mature, let Me come through the writings of My people as I come through their heart.

If I can get through their pen I've gotten through their heart. So many want to give Me their heart but not their pen. They want to give Me some inner space and inner things but are not willing to display Me through them in their craft.

2. Change, change, change—oh that will change—for soon many will cry out to Me to please allow Me to display Me through them. Reticent in their self-absorption and self-sufficiency—but not long Ted, not long. Much change, much change, turmoil much and many things different. Chaos and comfort I've spoken of before.

3. Review and recite My words to you and foretelling of coming disasters, and promotional opportunities for My readied, My humble, My meek, My powerful, in Me—pure, ready, ready, willing, obedient, anxious, peaceful, assured. So much change on horizon soon—on horizon now—oh so plain.

4. Write, write, write.
Be dismayed not at lack apparent but promises promised prevail.
Accuse not yourself or others of mistakes but manifold meekness increase.

5. Focus, focus, focus—
Schoolwork, school development, PowerPoint, plans.
Collaboration, conference, seminar and school.

6. Ready, ready, ready.
Caught off guard not.
Ready, ready, ready.

7. Initiators come who will lead your areas that need led.
Isaiah 61 in fullness—beauty, splendor, freedom.

8. Never forget your irreconcilable circumstances and how I reconcile them.
Promises, peace, provision—relationships.

Manger, master—provider.
Laughter, joy—in faith.
Standing—ever standing.
Speaking—squeaking to declaring.

Taking authority—maturing.
Maturing—moving forth.
Creating—writing, speaking, reconciling many to Me.

I thank you, I thank you, I thank you.

9. I go now—to prepare a place for you.
Land comes, buildings arise.
Students come.
Assemblages convene to discuss you and schools coming.

Artistry mounts in skill of portraits—
Painting Me, painting Me, painting Living Me.

So cool—so precious, so magnificent, so splendacious—
So edifying, what I'm doing now.
Tell all thank you.

10. Ask them to pray—intercede and initiate—
And sit on the side no more.

11. Take action My friends and embrace what I now do—
Before your eyes—with you or without you.
Participate if you choose.
So much, so splendid, so powerful, so blessed.
Freedomized, raised, life for death.
Beauty for ashes.
All of Me, all of Me, Me alone.
Choose.
